SIU Southern Illinois University CARBONDALE

Intermediate Glassblowing for Community Members

Oct. 24 - Dec. 5, 2026
Saturdays, 1 - 6 PM
Pulliam Hall, Industrial Wing Room 112

Course Fee: $700.00

This seven-week studio course builds on foundational glassblowing skills and is designed for participants who have completed a beginning level course at SIU or have prior introductory experience. Each session runs for five hours, including three hours of guided instruction and two hours of supervised practice.

Course Objectives:

- Strengthen and refine core glassblowing techniques.
- Develop familiarity with professional studio workflow, tools and etiquette.
- Expand creative approaches to glass as a sculptural and expressive medium

Dates: October 24-December 5, 2026

Times: Saturdays, 1-6 pm (3 hours instruction/2 hours practice)

Class Size: Minimum 4 participants / Maximum 6 participants

Studio Health and Safety Policy

The safety of all participants is our top priority. The hotshop is an active industrial environment with heat, noise, and standing. We'll review safety procedures at the start of the course and provide protective gear as needed. If you have questions regarding any accessibility needs (such as sensory accommodations), please contact nygell.halvorson@siu.edu in advance so we can plan accordingly.

While in the hotshop, all participants must wear safety glasses, closed-toe shoes and natural-fiber clothing (no polyester, nylon, or rayon). Long hair must be tied back at all times. Anyone without proper attire will not be permitted to work in the glass studio and will be marked absent for that session.

Unsafe behavior or disregard for instructions will result in immediate dismissal from the studio. The glass studio can be dangerous if not used properly, and as with any environment involving heavy equipment, unsafe behavior will not be tolerated. No exceptions. Participants are not permitted to work in the studio outside of scheduled class hours.
