

# Idioms, Slang, Ethics, etc.

Idioms can be the bane of our existence. In this course we will analyze American Sign Language idioms and phrases. We will consider the cultural and ethical implications of their use while discussing regionalisms, accents and ethnicity and its impact on our interpreting. You will spend approximately 4 hours each week analyzing DVDs, articles and video clips and discussing your reaction to this material with your peers.

Get 2.0 Professional Studies CEUs for \$100!  
Target Audience is Sign Language Interpreters. CDIs/interpreting students are encouraged to enroll.
